RESOLUTION.PHP wird mit einer INCLUDE-Anweisung aufgerufen

```
<? if (!$width && !$height) { ?>
<script language="javascript">
document.write('<form name="resolution" action="<? echo($PHP_SELF); ?>" method="post">');
document.write('<input type="hidden" name="width" value="'+screen.width+'">');
document.write('<input type="hidden" name="height" value="'+screen.height+'">');
document.write('</form>');
document.resolution.submit();
</script>

<? } else {
mysql_connect("localhost","user","passwort");
mysql_select_db("datenbank");
$insert="insert into resolution (width,height) values ('$width','$height')";
mysql_query($insert);
}
?>
```

AUSGABE DER BILDSCHIRMAUFLÖSUNGEN (aus Tabelle)

```
Bildschirmauflösungen der Besucher: <br>
<?
mysql_connect("localhost","user","passswort");
mysql_select_db("datenbank");

$select="select width,height,count(*) as count from resolution group by width,height
order by count desc";
$rs=mysql_query($select);
$num=mysql_num_rows($rs);
$selectall="select * from resolution";
$rsall=mysql_query($selectall);
$numall=mysql_num_rows($rsall);

echo('<table>');
while ($row=mysql_fetch_row($rs)) {
$length=round($row[2]*300/$numall);
echo('<tr><td>'.$row[0].'x'.$row[1].'  </td><td><img src="line.gif" height="10"
width="'.$length.'"></td><td>  '.$row[2].'</td></tr>');
}

echo('</table>');
?>
```

Ein intelligenter Counter

```
<?
  $counter = "counter.txt";   $ip = "ip.txt";
  $fp = fopen($counter,"r");  $zahl = fgets($fp,10);  fclose($fp);
  $fp = fopen($ip,"r");  $ip_adresse = fgets($fp,15);  fclose($fp);
  if ($ip_adresse <> $REMOTE_ADDR)
     {
     $zahl = $zahl + 1;
     $fp = fopen($counter,"w");
     fwrite($fp,$zahl);
     fclose($fp);
     $fp = fopen($ip,"w");
     fwrite($fp,$REMOTE_ADDR);
     fclose($fp);
  }
?>
```

Welcher Browser besucht uns?

```
<?
   $file = "browser.txt";
   $dateihandle = fopen($file,"a");
   fwrite($dateihandle,"\n".date("l,j-M-Y,G:i:s")." -> ".$HTTP_USER_AGENT);
   fclose($dateihandle);
   echo("<small>visits[");include("counter.txt");echo("]</small>");
?>
```
